

# DON'T VOTE FOR CANDIDATES WHO DID NOT SUBMIT BLURBS! WHY WON'T THEY TELL YOU THEIR POSITIONS? INSTEAD, VOTE FOR WRITE-IN CANDIDATES!

We're running candidates' blurbs in this week's *Thresher*. But some candidates, mostly uncontested ones, did not submit blurbs. They are running for office but refuse to tell you their positions. They do not deserve your votes. You should not vote for candidates who are keeping their positions secret. Instead, cast a write-in vote for someone whose positions you do know. Show those elitist douchebags that they'll have to earn your vote and not just slide in to another resume-filling position. **AFTER ALL, A FAKE CANDIDATE IS BETTER THAN A DOUCHEBAG CANDIDATE.** So please accept the Backpage's recommendations.

## U. Court Senior Rep.

Neither candidate submitted a blurb. What are their positions? Why won't they tell you? Instead, vote for this guy, whose positions are clear.

### DR. REP. RON PAUL for U. Court Senior Rep.

Hey, I'm Ron Paul. You should vote for me for U. Court Senior Rep.

Currently, U. Court is an unconstitutional breach of power that needs to be limited to the original views of the founding students. They are in league with the Federal Reserve and Bilderberg to trick you into buying useless pastes and appliances. And I would know. I'm a vagina doctor.

So I'll make sure the federal SA government stays out of your business and relegate most trials to college courts, where your case will probably just get thrown out.

I support the United States switching

over to a Gold Standard, which means I also support the Golden Rule, so if you ever get called before U.Court, I'll treat you like how I'd like to be treated.

Plus, come on, its not like I'm going to be elected president, so make your idiot friends happy by electing me U. Court Senior Rep. You may just get a ride in my awesome blimp or hear some stories about my days as a vagina doctor.

## RTV5 Program Director

### MICHAEL CERA for RTV5 Program Director

Oh.  
Um ...  
Hi, I'm Michael.  
But, you can call me Mike, if you want.

Not really.  
Um ...  
So yeah, you should vote for me for RTV5 Program Director. I've been on TV shows and I think I'd do a good job. So yeah.

Sorry, I kinda said "so yeah" twice.  
You know what, I'd do a great job. I have lots of experience, probably more than anyone else here. I would have some great ideas for shows and would know exactly how

people should make them and write them and produce them and I'm better qualified than anyone else here so you should vote for me.

...  
Sorry for getting all worked up there.  
So yeah, uh.  
Hey, do you like the Moldy Peaches? We could get KTRU to play them and put it on air.  
Yeah.

## KTRU Station Manager

### HELVETICA for KTRU Station Manager

Don't like the fact that KTRU doesn't always play songs you like? Well don't worry! If you elect me, Helvetica, as KTRU Station Manager, then the station will be whatever you want it to be. Our airwaves will be a blank slate of perfection, allowing you to impose whatever meaning or music you most enjoy. KTRU noise will be like air: non-existent yet all-encompassing. It will be modern, yet post-modern. It will be ... perfect.

## Rice Program Council Pres.

### LARA CROFT for RPC President

For years I have brought entertainment and joy to young boys around the world, whether beating bad guys in Bangkok or [cliched follow-up joke about masturbation goes here], and now I'll bring that entertainment to Rice.

In the past, the RPC picked unfortunate places to party. If elected, I will hold Esperanza in an underwater cavern in Kazakhstan. And students don't buy enough enough tickets, I will find the Spear of Longinus and use its powers to compel students to attend and enjoy themselves. Or my boobs. I'll use my boobs.

Don't forget to watch the *Thresher*-sponsored SA debates, Monday at 10 p.m. on RTV5.
